## Carver C43 Coupe

Make:	Carver	Hull Material:	Fiberglass
Model:	C43 Coupe	Number of Engines:	2
Length:	43 ft	Fuel Type:	Diesel
Year:	2018		
Condition:	New		

### Description

---

#### **PRELIMINARY SPECS**

The C43 Coupe boasts a broad, single-level salon with 6-feet, 8-inches of headroom, which becomes part of a seamless indoor/outdoor living space when the glass cockpit doors are open. It also features two spacious staterooms, each with 6-feet, 6-inches of headroom, a well-appointed galley, a private owners' head with separate stall shower, and a separate day-guest head. There's abundant seating throughout the boat, an expansive swim platform, a retractable electric glass sunroof, and an available retractable sunshade. In addition, wide side-decks provide easy access to the foredeck.

## Measurements

---

LOA:	42 ft	Fuel Tanks Capacity:	342 gal
Beam:	13 ft 10 in	Fresh Water Tanks Capacity:	131 gal
Max Bridge Clearance:	10 ft 10 in	Holding Tank Capacity:	70 gal
Min. Draft:	3 ft 7 in	Number of Cabins:	2
Cabin Headroom:	6 ft 8 in	Number of Heads:	2
Dry Weight:	24150 lb		

## Propulsion

---

### Engine #1

Engine Make:	Cummins	Engine Year:	2018
Engine Model:	QSB 6.7	Hours:	unknown
Primary Engines:	Inboard	Power:	480 hp

### Engine #2

Engine Make:	Cummins	Engine Year:	2018
Engine Model:	QSB 6.7	Hours:	unknown
Primary Engines:	Inboard	Power:	480 hp

## Standard Features

---

### Construction

- Hull and deck: Hand-laid structural and non-structural fiberglass and core laminates bonded with infused resin.
- Hull bottom: Surface beneath the water line is bead blasted to create an optimal bonding surface for the anti-fouling paint which is sprayed onto the hull to create a smooth running bottom.
- Stringer system: Fiberglass stringers are used throughout the yacht.
- Interior bulkheads, cabinets and drawers are precision cut, hand crafted and constructed from a selection of woods and high-pressure laminates. Drawers are lined with laminate.
- Integral aluminum truss reinforcement in cabin top structure.

## Electrical

- 12V System: Powered by an array of Series 31, 12V batteries. Array includes two dedicated engine starting batteries and one dedicated “house” battery. Battery banks are charged by a 60 amp charger for each bank. System voltmeters are located on the ship’s 12V distribution panel and voltmeters at the helm station. Battery on/off switch for the house battery is installed in the salon and the selector switch for engine batteries is located in the engine compartment.
- 110V System: System consists of a 30-amp service supported by Marinco® 50’ (15.2 m) shore power cord. Ground fault circuit interrupters are incorporated into the onboard system.
- Television: Cable television is supported by onboard inlets in the salon and master stateroom and a 50’ (15.2 m) CATV cable to connect to shore outlet.

## Propulsion

- Engines: Twin Cummins 6.7 L, 480 HP diesel inboard engines with direct coupled v-drives. Each engine’s exhaust is routed to a Hydralift muffler and underwater exhaust port.
- Shafts and shaft logs: 1.75” (3.8 cm) diameter stainless steel propeller shafts. Tides Marine® SureSeal shaft logs are self-aligning, dripless and maintenance free. Sacrificial anodes are installed on each shaft.
- Rudders and Propeller Struts: Made from durable 421 Manganese bronze.
- Propellers: Nibral CNC propellers.
- Fuel Tanks: Twin, 5052 aluminum tanks hold 175 gal. (662.4 L) of fuel each. Port and starboard fuel fill deck fittings.
- Trim Tabs: Bennett Marine® stainless steel, electro-hydraulic trim tabs.
- Steering: Teleflex® SeaStar hydraulic steering.
- Helm Display: Digital LCD display showing tachometer, hour meter, oil pressure, coolant temperature, battery voltage, fuel tank level and rudder angle indicator.

## Fresh Water & Holding Systems

- Fresh Water System: Three 40 gal. (151.4 L) polyethylene tank with shore water connection and integrated pressure reduction valve.
- Fresh water fill fitting installed on walkway. Eleven gal. (41.6 L) water heater installed in engine compartment.
- On demand fresh water is delivered via a fresh water pump installed in the engine compartment.

## Decks & Hardware

- Rails: 1" (2.5 cm) 316 stainless steel rails are used throughout the vessel. Rail stanchion bases are secured using aluminum backing plates laminated into the deck's fiberglass layup.
- Mooring Cleats: 10" (25 cm) mooring cleats are used at the bow, stern and amid ship (total of nine cleats). Cleats are secured using aluminum backing plated fused into the vessel's laminate.
- Foredeck Access: Wide walkways are on each side of the cabin top and provide safe, secure access from the cockpit to the foredeck.
- Foredeck Hatch with screen.

## Safety & Navigation

- Bilge Pumps: Two 1,500 gal. (5678 L) per hour automatic bilge pumps are installed, each with a manual on/off switch at the helm. A float switch for the high bilge water alarm is installed in the engine compartment and forward bilge.
- Bilge Ventilation: Four ventilator blowers are installed in the engine compartment. Each blower creates 240 CFM volume.
- CO Alarms: Monitors with alarms are installed in both staterooms and the salon.
- Engine Alarms: Engine oil pressure and water temperature alarms are installed at the helm.
- Fire Suppression System: An FE241 Fireboy® automatic fire suppression system is installed in the engine compartment.
- Compass: 2.75" flush mount, illuminated Richie® Navigator compass is mounted at the helm.
- Seacocks: Marine grade bronze seacocks are used on all below the waterline thru hull openings. Nylon fittings are used on above the waterline outlets.
- Spotlight: ITT Jabsco® remote control spotlight mounted on bow rail.

## Helm

- Bench helm seat, adjustable electrical controls.
- Compass.
- Sport steering wheel.
- 12V accessory outlet.

- Provisions for optional navigation equipment including RayMarine E120 display with GPS, chart plotter, depth sounder, radar, VHF and autopilot.
- Windshield defogging fans.
- Dual speed controlled/intermittent windshield wipers and washers.
- 12V switch control panel.
- Remote control spotlight.
- Hydraulic steering with tilt steering wheel.
- Dash console, non-glare.
- Electronic engine controls.
- Trim Tab controls.
- LCD engine information display.
- USB outlet.

#### Cockpit / Transom / Swim Deck

- Swim platform: Integrated into the yacht's hull and deck. Access to the cockpit from the swim platform is through a transom door on the starboard side of the yacht. Telescoping boarding ladder is installed in recessed area of swim platform.
- Transom: Stainless steel handrail on top of transom. Two storage lockers in aft surface of transom.
- Engine Compartment Access: Hinged cockpit floor hatch with gas shock cylinder.
- Courtesy Lights: Four cockpit courtesy lights with on/off switch.
- Two storage lockers, port and starboard side.
- Armrest with stainless steel cup holder.
- Storage access under all cockpit seating.
- Shore water connection.
- Dual stereo speakers.
- Overhead LED lights.

- Cockpit Lounge: L-shaped lounge seat to port with single seat on starboard.

## Salon

- Entertainment: 32" LED Television, Blu-Ray/CD player, AM/FM marine quality stereo with speakers.
- Lighting: LED lights are recessed into the salon head liner and are controlled by a rocker switch.
- Seating: U-shaped upholstered lounge with storage underneath seating. High/Low dining table with filler cushion.
- Ventilation: Salon windows slide open.
- Storage: Hinged door in salon floor provides access to spacious storage compartment.
- Flooring: Plush pile, 100% nylon carpeting throughout salon.
- CO detector.
- Retractable sunroof with shade and screen.

## Galley

- Counter Tops: Solid surface countertops throughout.
- Flooring: Vinyl plank flooring.
- Appliances: Novacool® refrigerator, convection microwave oven, two burner electric cooktop with ventilator.
- Sink: Full-size stainless steel sink.
- Lighting: Recessed LED lights over galley counter controlled by rocker light switch.
- 110V Outlet: GFI protected

## Master Stateroom

- Sleeping: Queen size, island berth with high-density foam mattress. Dual end tables and halogen sconce style reading lights.
- Privacy: Master stateroom is secured with a hinged wooden door and locking door latch.
- Storage: Port and starboard overhead lockers. Port and starboard hanging lockers.

- CO detector.
- Ventilation: Opening overhead hatch with screen and egress ladder.
- Lighting: Natural light provided by overhead hatch and two 5.5" by 36" hull side windows with blinds. Additional illumination provided by 2V lights recessed in the headliner and controlled by a rocker switch and two sconce reading lights.
- Flooring: Plush pile 100% nylon carpeting throughout.
- Towel and sheet set.

### Guest Stateroom

- Sleeping: Twin berths with high-density foam mattresses. Filler cushion converts twin berths to full size mattress.
- Flooring: Plush pile 100% nylon carpeting throughout.
- Privacy: Guest stateroom is secured with a hinged wooden door and locking door latch.
- Lighting: Illumination is provided by recessed overhead LED lights controlled by a rocker switch. Two bedside reading lights. Natural light and ventilation provided by one 11" hull side window with opening portlight.
- Hanging locker with illumination and mirror.

### Master Head Compartment

- Shower: Fiberglass stall shower with hinged aluminum and acrylic door. Shower head can be used as a hand shower. Sump drain with automatic pump. Exhaust fan. LED overhead light. Molded non-skid floor.
- Toilet: Raritan® electric pedestal toilet with freshwater flush.
- Two 7.5" by 20" hull side windows with opening port lights with shades.
- Vanity: Vanity is equipped with vessel sink, under sink storage, solid surface counter top, mirrored cabinet.
- Lighting: LED lights recessed in the headliner and controlled by wall mounted rocker switch.
- Electrical: 110V GFI protected outlet.

### Day Head

- Shower: Hand-held shower with curtain. Sump drain with automatic pump. Exhaust fan. LED overhead light. Molded non-skid floor.
- Toilet: Raritan® electric pedestal toilet with freshwater flush.
- Two 7.5” by 20” hull side windows with opening port lights with shades.
- Vanity: Vanity is equipped with vessel sink, under sink storage, solid surface counter top, mirrored cabinet.
- Lighting: LED lights recessed in the headliner and controlled by wall mounted rocker switch.
- Electrical: 110V GFI protected outlet.

### **Water & Waste Systems**

- Grey water holding system.
- Overboard discharge.
- Transom washdown – fresh and seawater.
- Transom washdown – fresh water only.
- Transom washdown – seawater only.
- Water and waste monitor.

### **Safety & Navigation**

- Garmin autopilot.
- Garmin navigation and radar package 12”.
- Garmin navigation package 12”.
- Radar mast.
- Raymarine A series navigation electronics and radar package – radar, chartplotter, GPS, sonar, VHF/hailer.
- Raymarine A series navigation electronics package – chartplotter, GPS, sonar, VHF/hailer.
- Raymarine autopilot.
- Ground tackle includes Prince 1000 windlass, anchor, chain, shackle and line with snap hook.

- Ground tackle includes Prince 1000 windlass with capstan, anchor, chain, shackle and line with snap hook.

## Interior

- Carpet runner.
- Central vacuum.
- Combomatic washer/dryer.
- Decorator pillows.
- Galley storage – pull out dry storage double.
- Master stateroom TV & Blu-Ray player.
- Salon audio upgrade.
- Salon blinds.
- Salon wood flooring.
- Second stateroom TV & Blu-Ray player.
- Wine Cooler.

## Exterior

- Cockpit icemaker.
- Cockpit refrigerator.
- Cockpit sun shade.
- Cockpit wetbar with grill.
- Colored hull upgrade: Sterling Taupe, Carbon Black or Mariana Blue.
- Exterior carpet.
- Exterior teak table.
- Exterior vinyl color: Cora Greyhound.
- Foredeck sunpad.

- Passerelle – mounting reinforcements only.
- Salon door screen.
- Seat covers.
- Transom handshower.
- Transom underwater lighting.

## Included Upgrades

---

- Cummins QSB 6.7 480 HP Diesel Inboards HP
- Cummins Joystick
- Kohler 11.0 KW Diesel • 60 HZ Generator 240V 45.8 amps
- Air Conditioning High Capacity • 28,000 BTU (SOUTH) Includes single 240v/50 amp shore service)
- Overboard Discharge
- Water and Waste Monitor
- Garmin Navigation Package 12"
- Ground Tackle includes Prince 1000 Windlass, Anchor, Chain, Shackle and Line with Snap Hook
- Seat Covers
- Exterior Teak Table
- Exterior Vinyl Color: Opulence Tusk
- Transom Handshower
- Transom Underwater Lighting
- Cockpit Icemaker
- Cockpit Refrigerator
- Cockpit Wetbar with Grill
- Cockpit Sun Shade
- Foredeck Sunpad
- Boot Stripe: Black
- Satin Wood Finish (Black Cherry)
- Galley Storage • Pull Out Dry Storage Double
- Salon Blinds
- Salon Wood Flooring

- [Salon Audio Upgrade](#)
- [Master Stateroom TV & Blu-Ray Player](#)
